

Activity 1: Choices That Show Leadership

Have fun with this activity and help your child discover how the everyday choices they make can show leadership!

Try This:

Think about a choice you made recently. It could be at school, with a friend, during a sport, or at home.

1. What choice did I make?
2. Why did I make that choice?
3. How did my choice affect me or someone else?
4. Would I make the same choice again? Why or why not?

Leadership Challenge:

Today, make one choice that helps someone else. Write or draw what happened.

Remember: Every choice is an opportunity to practice leadership.
